

**COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH
PROGRAM SUPPORT BUREAU – MHSA IMPLEMENTATION AND OUTCOMES DIVISION**

VACANCY ANNOUNCEMENT

Clinical Psychologist II

**THIS IS NOT AN OFFICIAL EXAMINATION
RESTRICTED TO PERMANENT EMPLOYEES OF THE DEPARTMENT OF MENTAL HEALTH ONLY**

The Program Support Bureau is seeking a qualified mental health professional to fill a vacant Clinical Psychologist II position in the Mental Health Services Act (MHSA) Implementation and Outcomes Division. This person will serve as the lead evaluator of the SB 82 Mental Health Triage Personnel program. Through funding from the Mental Health Services Oversight and Accountability Commission, four (4) types of triage teams will be established throughout Los Angeles County:

- Mobile triage teams outreaching and linking homeless individuals, older adults and veterans with mental illness.
- Child crisis placement stabilization team for DCFS and mental health involved children.
- Forensic outreach teams.
- Crisis transition specialists.

EXAMPLES OF DUTIES:

- Establish a protocol and procedure for triage teams to collect and transmit information on clients served.
- In conjunction with the Department's Chief Information Office Bureau develop or modify an existing secured database to collect information on clients served by the triage teams and subsequent service utilization.
- Select and implement a client satisfaction questionnaire and develop a process for sampling of client satisfaction.
- Train all teams on data collection and reporting procedures.
- Development of reports based on evaluation data elements listed above.
- Creation of regular reports for data quality and improvement purposes and for reporting of program success in meetings its objectives.
- Attendance at SB 82 local and statewide meetings.

DESIRABLE QUALIFICATIONS:

- Knowledge and experience with program outcome evaluation.
- Outstanding oral and written communication skills.
- Strong interpersonal skills, including the ability to train and provide technical assistance to providers and Department staff on the use of outcome measures and reports.
- Outstanding attention to details.
- Strong organizational skills and ability to prioritize work.
- Proficiency in creation and use of databases such as Microsoft Access and Excel.

Interested and qualified individuals currently holding the title of Clinical Psychologist II, or a license eligible Clinical Psychologist I, are encouraged to submit their resume, last two (2) Performance Evaluations, and last two (2) years of master time cards for review and consideration by **February 6, 2015** to:
